

Hello boys,

We hope that you are all well and staying safe at home during this exceptional time. We are looking forward to getting back to you all as soon as possible. You may be feeling overwhelmed at the moment with all that is going on, but you are all very talented and bright and with a little routine for yourself you will get back into things in no time. Try and create a timetable for yourself; get up early, allocate a slot to get your school work done each day, limit your screen time, get some exercise, do some chores to help your parents, enjoy some family time and go to bed early.

We have set work for the next few weeks of closure below, please try your best when you are completing it but don't let this work be something that stresses you.

You can email the address below if you need any assistance, but know that this is optional.

aislingstmarks@gmail.com

We hope to see you all very soon,

Ms. Finn and Mrs. Lynskey
